Get The Led Out to Rock the Music of Led Zeppelin Live in Kirkland

KIRKLAND, Wash. – Kirkland Performance Center (KPC) is excited to announce that Get The Led Out (GTLO) will be taking the stage for a high energy Led Zeppelin concert with an honest, heart-thumping intensity on Wednesday, September 30th at 8:00pm.

For any classic rock fans, this is the Zeppelin music concert to see. The Philadelphia-based group consists of six veteran musicians intent on delivering Led Zeppelin live, like you've never heard before. GTLO has amassed a strong national touring history, having performed at major club and PAC venues across the country. Such venerable club venues include Penn's Peak, Electric Factory, Best Buy Theater, HOB Boston, Fillmore Charlotte and Ram's Head Live, Baltimore, and now are coming to Kirkland. It's been their mission as a band to bring the studio recordings of "the mighty Zep" to life on the big concert stage. This is not an impersonator act but rather a group of musicians who were fans first, striving to do justice to one of the greatest bands in rock history.

Select Fall show details are listed here. For a complete list of shows from the entire season, visit www.kpcenter.org.
